

Valued Employees,

Due to the unprecedented and fluid situation regarding the rise in the number of Coronavirus (Covid-19) cases being reported in the United States, DS Bus Lines, to ensure the SAFETY of our employees and incoming applicants, had to cancel the informational meetings that were to be held at Chisolm Trail Middle School last week.

DS Bus Lines was working diligently on a plan to meet with incoming applicants this week, when on March 21st, 2020 an executive order was issued for Johnson County, KS, Leavenworth County, KS, and Wyandotte County/Kansas City, KS that went into effect at 12:01AM this Tuesday, March 24th, 2020.

At DS Bus Lines, we are *committed* to the *successful* hiring and training of safe and effective School Bus Drivers and Monitors that have the opportunity to drive students toward a better tomorrow. With the understanding that the best way to prevent illness is to avoid being exposed to the Coronavirus (Covid-19), we are strongly encouraging applicants to apply online at [www.dsbuslines.com](http://www.dsbuslines.com) or use one of the following links until the time comes when we can schedule and meet in person with our applicants:

Monitor: [Click here](#)

DS Bus Lines wants all of you to be as aware and well informed as possible of the risks, symptoms, and preventative steps, as directed by experts, to reduce the risk to you, your families, and our community. Below are a few preventative steps you can follow:

- Frequent handwashing with soap and water (hand sanitizer when necessary).
- Avoid touching your eyes, nose and mouth as well as close contact-whenver possible, avoid direct contact, keeping a physical distance of 6 feet from others.
- Encourage those feeling ill or presenting symptoms to stay home.

If we all follow the directions of the experts, we will hopefully contribute to slowing the spread of the virus.

We look forward to meeting with our incoming employees in the future! Stay safe!

*Our number one priority is the safety of those we transport after all we transport what moves the world forward: our children.*
