To the Olathe School Bus Team,

Due to Covid-19, all Olathe schools are completely shutting down next week. This means that we will NOT have access to Chisholm Trail Middle School for our meeting.

As soon as we have more information, we will reschedule the meeting at the school or meet at an alternate location.

In the meantime, please go to our website and fill out our online application. The online application will speed up the onboarding process and ensures that we have the most accurate information.

As more information becomes available, we will continue to share and update our website accordingly.

Sincerely,

DS Bus - The Kincaid Group
